FRIDAY 1.4.2011

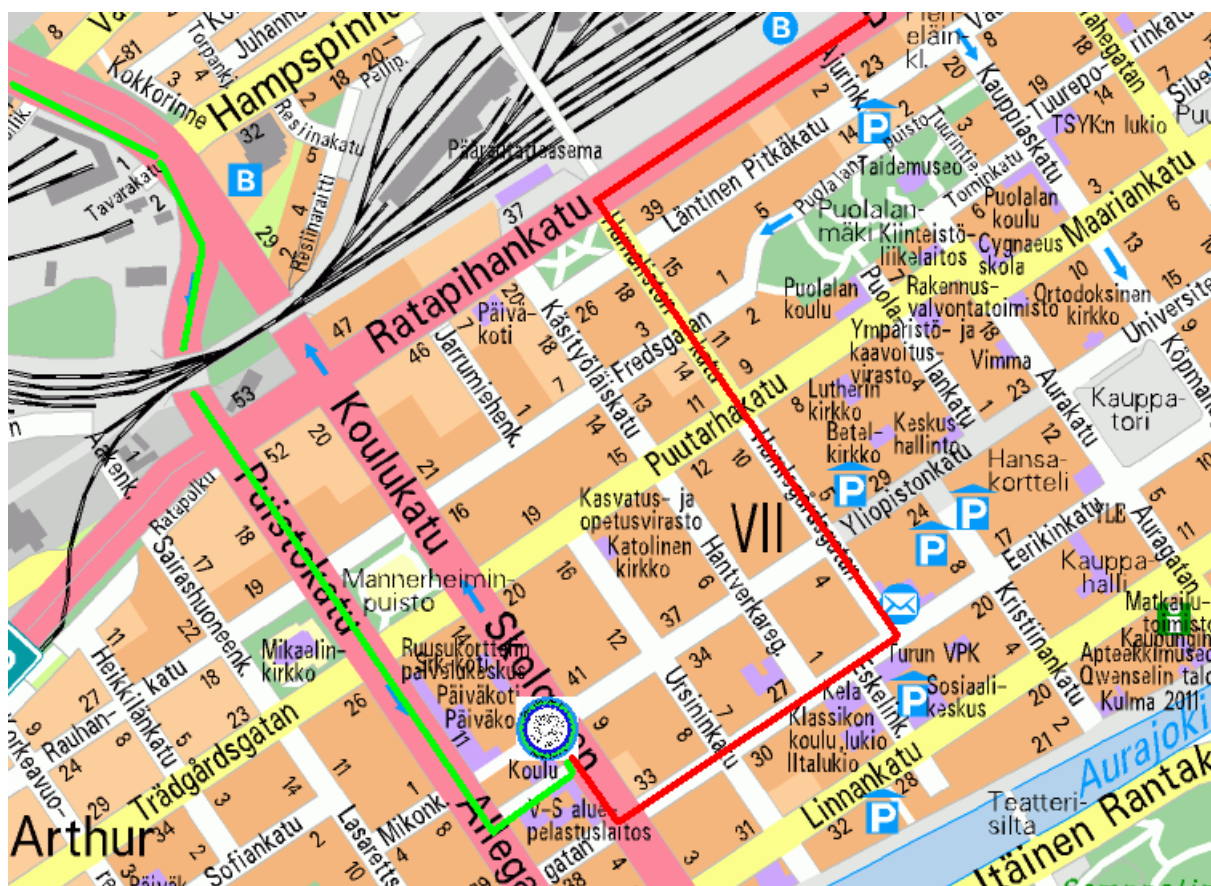

REGISTRATION AND WELCOME RODA in Snellmanin koulu  
starting at 18:00 (Koulukatu 8)

Arriving to Snellmanin koulu:

If you are coming by train you should get off at **the main railway station**, from there it is approximately a 10-minute-walk to Snellmanin koulu. With a car from Helsinki, exit Helsingin Valtatie and turn to Humalistonkatu just before the main railway station. Drive to the end of Humalistonkatu and turn right to Eerikinkatu. After few hundred meters, turn right to Koulukatu, take the most left lane and you'll arrive to the school (see map 1, red line).

If you arrive from the main square (Kauppatori, where the buses from harbor or airport will stop), just walk along Yliopistonkatu towards the harbor. Snellmanin koulu is at the end of the street. Coming by car from Tampere, you should head towards the harbor after crossing the railway, and then turn to Humalistonkatu and continue as you would be coming from Helsinki. From Vaasa see the green line in the map 1.

SATURDAY 2.4.2011

TRAINING AND BATIZADO 13:00-19:00 in Topeliuksen koulu

(Pakkarinkatu 10)

Arriving to Topeliuksen koulu:

From the main railway station or by car from Helsinki, Tampere or Vaasa, look at the maps 1 and 2 to find your way (Snellmanin koulu can be seen in both). Topeliuksen koulu is located closer to the harbor from Snellmanin koulu, where we are on Friday. Easiest way is to take Linnankatu or Puutarhakatu and head towards the harbor.

MAP 2:

After training, **sauna** and **get-together** at laiá's & Dynamo's home ☺

It is possible to have dinner there with small fee. Bring your own drinks, but some beer can also be bought there.

We have to go by car, but transport will be organized on site, just let us know if you don't still have a place on anyone's car ☺

Everyone welcome!
